

Dear Parents, Guardians and Staff,

It seems hard to believe that it has been seven months since our LIS PTA members have been in office and I am proud to report that within this time frame these enthusiastic, dedicated parents and staff have been able to raise \$42,994 in fundraising gross revenue for our school! The staff and PTA have agreed to use part of these funds towards the purchase of two more smart boards that are needed for the high school language department and a reading scheme for the primary school.

Your support with organizing, sponsoring, promoting and attending the various fundraisers throughout the school year has been key to the PTA's success! Please continue to look for updates on our web-site www.lispta.com where you will find PTA meeting minutes, financial reports and photos of our past events. I hope you enjoy your summer and I look forward to working with you again during the next school year.

Best Regards,

Jennifer M. Wiegand
LIS PTA President
